

NORTH CAROLINA BOARD OF DIETETICS/NUTRITION
RULES COMMITTEE MEETING VIA CONFERENCE CALL
2:00 PM
140 PRESTON EXECUTIVE DRIVE, SUITE 205-C
CARY, NC 27513

MINUTES: October 8, 2019

Board Members Present: Shelia Garner Link, Analia Camarasa & Dr. Ananya Sen

Director: Charla Burill, Executive Director

Ex-Officio: Marnie Jones, Administrative Specialist

Guests: Members of the Public

This meeting was called in order to review objections by RRC and proposed changes to 21 NCAC 17.0101; and 0303.

- The Committee came together to discuss the RRC's objections to 21 NCAC 17. 0101 and .0303, and how to address such objections. Charla reviewed non-material proposed changes to 21 NCAC 17. 0101, which the Committee agreed would meet the concerns of the objection.
- Rule 21 NCAC 17. 0303 was also reviewed along with the objection to this rule. Charla noted this objection had been reviewed with the Rules Review Commission counsel, and the most efficient move forward would be to simply delete the language that had been objected to, even if the Board did not agree with the objection. This would allow the Board to get a rule in place. Ultimately, if the Board desired to change the rule again, it could through the rule change process, but noting that this was a rule that required readoption under HB74, by moving forward in this manner, the requirements of HB74 would be satisfied. The Committee agreed and agreed to recommend both proposed versions of .0101 and .0303.
- Comments were received from public members joining the call.

Meeting was adjourned at 2:45 PM
